MAJOR GENERAL RODERICK RANDOM ALLEN

Anderson County's No. 1 soldier by rank in World War II was Major General Roderick Random Allen, red-haired Texas A. & M. College alumnus and World War I veteran whose armored legions spearheaded some of the greatest Allied drives in the climactic battles of the war in Western Europe.

Modest, soft-voiced, affable "Red" Allen was commander of the 12th Armored Division, which went into combat on Dec. 5, 1944, and spearheaded the Third Army's great drive from Trier to the Rhine and the Seventh Army's smashing offensive through Germany and to the Inn River in Austria.

Born Jan. 29, 1894, at Marshal, Texas, Roderick Allen spent most of his boyhood in Palestine. He was the son of Jefferson Buffington Allen and Emma Albers Allen, residents of Palestine for many years.

A graduate of Palestine High School, he attended Texas A. and M. College, where he received the Bachelor of Science degree in 1915. He was commissioned a second lieutenant in the cavalry on Nov. 29, 1916, and was made first lieutenant the same date.

He served with the Third Cavalry in the American Expeditionary Forces in France from Oct., 1917, until July, 1919. During the 11-year period from 1926 through 1927 he served with the Sixteenth Cavalry, Third Cavalry, Fourth Cavalry and Seventh Cavalry.

He was graduated from the Commandant General Staff School in 1928; from the Cavalry School in 1923; from the Army War College in 1935; from the Naval War College in 1936.

He served as instructor in the Command and General Staff School, 1932 to 1934. He had served as personnel officer chief in the Cavalry, 1928 to 1932.

From 1936 to 1940 he was with the Army General Staff, G-3 Division, and was promoted to executive officer of the First Armored Brigade, First Armored Division, in 1940. He was appointed regimental commander of the Thirty-second Armored Regiment, Third Armored Division, in 1941.

From January to April, 1942, he was chief of staff for the Sixth Armored Division. He was made commanding general of the Combat Company A, Fourth Armored Division, from May, 1941, to Oct., 1943.

General Allen served as commanding general of the Twentieth Armored Division from Nov., 1943, to Sept., 1944, when he was made commanding general of the Twelfth Armored Division, the unit he led into the battlefields of Europe.

He became commanding general of the First Armored Division in August, 1945. The First was assigned to occupational duties inside Germany.

Dates of his promotions are as follows: second lieutenant, Nov. 29, 1916; first lieutenant, same date; captain, Aug. 12, 1917; major, 1928; lieutenant colonel, 1938; colonel, 1941; brig. general, May 23, 1942; major general, Feb. 23, 1944.

General Allen holds the Distinguished Service Medal, the Bronze Star Medal, the Croix de Guerre with Palm, Mexican Border Campaign medal, World War I medal.

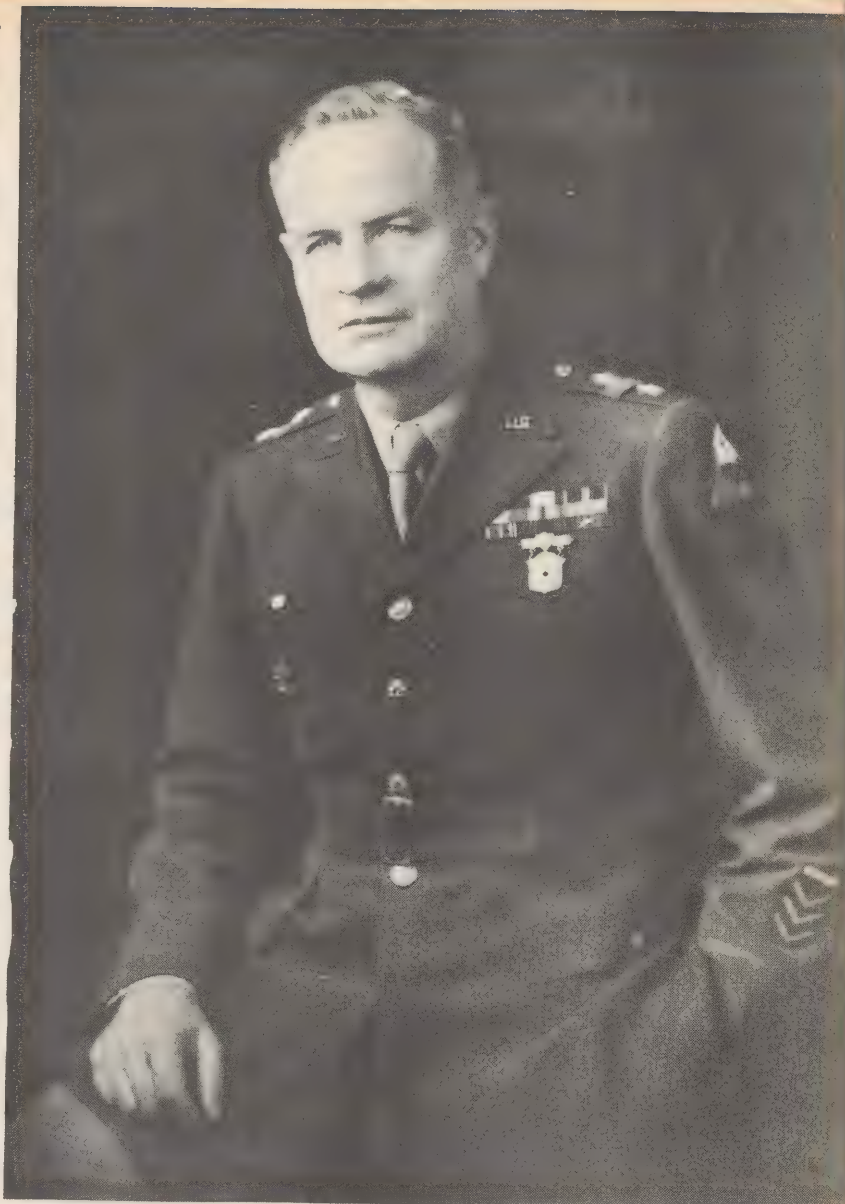

General Allen's Twelfth Armored Division participated in some of the heaviest land fighting in World War II. Going into combat with the Seventh Army on Dec. 5, 1944, the division was later loaned to the First French Army for the Colmar Campaign. Still later, the division was loaned to General George Patton's Third Army and spearheaded the entire Third drive from Trier to the Rhine.

Returning to the Seventh Army, the Twelfth Armored spearheaded the Seventh Army's great drive through Germany to the Inn river in Austria and it was there the division rested when the war ended.

Shortly after the close of the war, General Allen was assigned to command of the First Armored Division, one of the occupation units, and established headquarters at Darmstadt, Germany.

In September, 1945, Major General Allen returned to Palestine to receive a hero's welcome. Although at home for only two days, he was the recipient of a round of courtesies, both public and private. He returned to Germany by air to resume command of the occupation unit.

Known to many friends as "Red," Allen's first love, of course, is his family. On April 25, 1917, he married Miss Maydelle Campbell, a daughter of Governor and Mrs. Thomas M. Campbell. They have two charming daughters, Nancy Campbell Allen and Gail Random Allen. At present the general's family resides in Washington, D. C.

Greetings

The American Legion Auxiliary sends warmest greetings to the men and women who served in the armed forces during World War II. It is with hearts of gratitude and appreciation that we welcome you home once more—home to the community you love; to the community whose people love you.

To those who will never return, we pay solemn tribute. They fought and died that we might live in the peace and happiness of free peoples. May their souls rest forever in the protection of the Almighty God who gave them to us.

The Howard Gardner Unit No. 85 of the American Legion Auxiliary was organized in Palestine, Texas, in 1922 by the late Mrs. T. M. Campbell, wife of the late Former Governor of Texas, and it was Mrs. Campbell who served the auxiliary as its first president.

As you may see, the badge of the American Legion Auxiliary stands for God and Country and the highest rights of man. Rays from the background of the badge are emblematic of loyalty, justice, freedom and democracy. They dispell the darkness of violence, strife and evil. The star of blue was the emblem of service during the war; it is no less than the emblem of service in time of peace, and service is the unselfish work of the Howard Gardner Unit of the American Legion Auxiliary through its rehabilitation and child welfare programs designed primarily to aid veterans and their families.

A service organization through and through, the legion auxiliary is proud of it's service record in the community. We are proud of the opportunity to serve in a community which has done so much in the war effort; which now hopes to do so much in the days of peace.

Both the American Legion auxiliary and the American Legion will welcome each of you who may desire membership, and by the same token we can inspire and help to attain our unselfish objectives. The history of the American Legion Auxiliary truly points the upward way "For God and Country."

Anderson County is a better place in which to live by virtue of your part in routing the forces of evil in the greatest armed conflict in the history of man. With patriots like you, the ideals of Americanism will never tarnish nor lose their lustre.

The American Legion Auxiliary salutes you, one and all, and offers to you the full power of its resources in bringing about your personal happiness and in making the community a better place in which to live.

It will be your rich heritage in the years to follow to look through this book so gratefully dedicated to you.

Mrs. Harold Dietz, President,
American Legion Auxiliary

PALESTINE, TEXAS

MEETS THIRD THURSDAY
NIGHT EACH MONTH

TO ALL MEMBERS OF WORLD WAR II ARMED SERVICES:

We the Members of the American Legion, having worn the same Uniform as you, extend a cordial invitation to join us. Each of you have been a member of the most efficient fighting force the world has ever seen, you have done a good job of defeating our enemies.

Many of you have travelled through Italy, Germany, India and Japan. You have found that our American way of life is unquestionably the best of any government for the largest number of people. It is yours and the American Legion's battle to work and fight to preserve a 100 per cent Americanism. There shall be arguments soon to depend more and more on your Government for support instead of the American Democratic way of private initiative. This dangerous thinking will drift us into Nationalism, and it was from this that Germany, Italy and Japan derived their respective Governments.

The American Legion has ten million dollars worth of property in the United States in the form of homes and buildings, all of which will belong to you as members of Local Legion Posts. It is to be expected that in the future all officers of the Posts shall be World War II Veterans. In our local Post, we have two officers, Veterans of World War II, and expect several more next year.

You can be proud to wear the American Legion Button. The Legion boasts of such members as President Harry Truman, Admiral King, General Marshall and in our Local Post here we have Major General R. R. Allen.

In closing let us remind you of two important things to remember. In order to retain your seniority, of the job you held when inducted, you must report to that job within 90 days after discharge; the other is to be sure to keep your insurance paid.

The American Legion

Yours sincerely,

Commander, Howard Gardner Post No. 85,
The American Legion.

THE HISTORY AND ORGANIZATION OF PALESTINE SERVICE MEN'S CLUB — 1942 - 1945

The Service Men's Club, Palestine, Texas, was organized June 1, 1942, at the suggestion of Mrs. C. W. Hanks, as a stopping place for the service men and women passing through this city.

Headquarters were set up in the room adjoining the O'Neill Hotel as a donation of Mr. M. A. Davey, owner of the Hotel. It was painted and decorated through the untiring efforts of public spirited citizens, and the furnishings came from Palestine homes. The result was a club room where those in Service could read, write letters, play the radio and piano.

During the summer of 1942, convoys of from 100 to 250 passed our way enroute to Louisiana for training. They were entertained in the Service Club and in private homes.

The Club started with a ten dollar donation from a citizen, later was helped considerably by fifteen hundred dollars collected in the scrap metal drive. Organized and operated by the women of Palestine, all food, drinks and general conveniences are donations by citizens of the city and county. Genuine hospitality and patriotic spirit are the watchwords of the Club at all times.

Although there are no government installations near Palestine, many thousands of soldiers, sailors and marines, including the many branches of these Services, have passed through the Railroad Terminal in Palestine and have enjoyed the home-like atmosphere of the Club Room.

Many of the following volunteer workers who offered their services at the opening of the Club are still serving in their various capacities:

Mrs. C. W. Hanks, General Chairman
Mrs. M. A. Davey, Jr., Treasurer
Mrs. Sam Killingsworth, Secretary (1942)
Mrs. Ernest Peters, Secretary (1943-44-45)
Mrs. Taylor Henry (Mrs. Al Bergen) and Mrs. S. S. Stafford, Chairmen, Day-Night Menus
Miss Bettie Thompson (Mrs. L. Flangan),
Chairman of Entertainment
Mrs. I. B. Hughes and Mrs. O. Duff, Purchasing
Mrs. Matt Davenport, Correspondence

Mr. Franklin Bradford, Reporter
Mrs. E. A. Pursch, Sewing
Mr. E. A. Pursch, Furniture Repairing
Mr. David McClung, Electrician
Mr. Sam Rollins, Transfer
Mrs. Al Bergen, Chairman, Cold Drinks (1942)
Junior D.A.R.-Neches High Club, Cookies (1942)
Mrs. H. A. O'Briant, Chm., Cookies (1943-44-45)
Mrs. Ed Bigbee, Chm., Cold Drinks (1943-44-45)
Mr. Reynolds, Florist

In 1942 a Christmas Committee was asked to serve under the direction of Mrs. S. S. Stafford, Miss Susie Brabham and Mrs. M. A. Davey, Jr., Head Chairmen. The first Christmas tree was a huge success with gifts of six hundred ditty bags containing toilet articles, being given to visiting servicemen.

In 1943 an advisory board was asked to serve, which consisted of Mr. M. A. Davey, Jr., Chairman, Mr. H. V. Hamilton, Mr. Jim Young, Mr. Ed Bigbee, Mr. J. V. Murdaugh and Mr. E. H. Shelton. At the first Anniversary Open House, congratulatory speeches were made by Mayor R. H. McLeod, Brigadier Genreal Rodeick Allen (now Major General) and Major J. I. Hopkins (now Lieutenant Colonel). Credit is due Mr. Claude Weternan for his public address system.

In 1943, Mrs. C. W. Hanks suggested that four hundred and thirty-five dollars and eighty-four cents be taken from the money raised in the scrap drive and given to the negro service club. This suggestion was voted and passed by the advisory board, and the check was given to Rev. S. H. Graham and Julia McClelland, trustees of the negro organization. After this donation was made only four hundred dollars remained in the treasury. At this time Mr. J. F. Jones gave the picture show reel, worded by Franklin Bradford. The showing of this reel each month brought in contributions of two and three hundred dollars from picture show patrons. The treasury was further helped by the sale of several hundred pounds of old keys and bundles of waste paper to Mr. Pearlman, and scrap glass to the Knox Glass Co.

The Club donated several boxes of old furs to be made into warm garments and one box of old costume jewelry was sent to the men in the South Pacific. The Club also collected and donated one box of scissors, tweezers and supplies for surgical relief.

The original register of Anderson County boys and girls in the service, prepared by Mrs. Charles Schultz, was eventually turned over to the Lion's Club and the large billboard Honor Roll for Anderson County was made from information gained from this register.

Mrs. C. W. Hanks called a committee of citizens in order to establish a Community Center as a lasting Monument to Anderson County men and women who served honorably in World War II. The chairman of this committee was Rev. Frank Dent, the members were: Mr. J. F. Jones, Mr. E. Peters, Mr. Edd Bigbee, Mr. F. Bradford. Others present were Mrs. H. Glazner, Mr. E. Fish, Mr. and Mrs. Hubbard, Mr. Arnold Hudson, Mr. Ben Walker, Mr. Gerald Joyce, and Mrs. Edd Bigbee. This committee worked for several months and not entirely in vain for other clubs are working on projects at this time.

In 1944 money in amount of \$2,600 from United War Chest Drive was of great benefit to the Room.

Mrs. H. A. O'Briant was made Vice-Chairman in 1944, as additional supervision was needed and in 1945 Mrs. Jack Grigsby was made Second Vice-Chairman.

Christmas and Thanksgiving dinners were given each year and Christmas gifts were given by the citizens of the city and county. The Christmas tree has been given each year by Mr. Robert Herrington and decorated by the club workers.

The scrap books are ably kept up-to-date by Miss Rose Plaisance.

Since V-J Day a new motion picture reel, worded by Mr. Franklin Bradford and donated by Mr. J. F. Jones, has been running at the local shows.

In 1945 we have had from 400 to 500 in the Room each day. Several troop trains with boys returning from overseas each week, were served on the Railroad track with fruit, magazines, writing materials, etc, and a hearty welcome by ladies and girls from the Service Room.

Fourteen volunteer day and night hostesses and eighty-four women and girl volunteer helpers each week extended courtesy, hospitality and friendliness to those in Service in behalf of Palestine and Anderson County.

The ladies have had many fine compliments from those in Service on the splendid war-time Service Record of the Room. The people of Palestine and Anderson County feel proud that they have had an organization such as the Service Room to express their appreciation to the members of the Armed Forces for a job well done. Anderson County has a fight to feel proud of the citizens who have contributed so much of their time and money to this worthy cause.

Those in service tell us our organization was one of the few, if not the only organization of its kind in the United States.

ANDERSON COUNTY'S CONTRIBUTION TO WORLD WAR II

Behind the sufferings and sacrifices of Anderson county fighting men in World War II is a story of solid support from the home front—from fathers, mothers, wives, sisters, brothers, uncles, aunts and cousins of the men and women in uniform.

The county that sent some 5,000 men and women into the armed forces backed them with every resource in both moral and material resources.

The record shows that in the seven war loans, Anderson county patriots purchased approximately \$6,000,000 in war bonds.

The county's dimes and dollars that followed the fighting men into conflict represent only a fractional measure of the moral and monetary support with which the war-girded home front backed the war effort.

The din of the Pearl Harbor holocaust had not died away before patriots in every nook and corner of the county had rounded up every available piece of scrap iron and sent it away to the munitions mills.

Then followed a series of war-supporting financial campaigns. Citizens gave thousands of dollars to China Relief, United War Chest, the Red Cross; they scoured towns and villages for waste paper; saved and turned in tons of fats for explosives. They organized the Civilian Defense Corps and the State Guard. They worked at their jobs long hours to meet the labor shortage.

The story of the home front at war is a voluminous chapter all its own—a story which warms the hearts of those who sacrificed in the foxholes of Germany and Okinawa. The efforts at home, after all, can best be weighed in moral benefits to the fighting men who couldn't help realizing the all-out backing and support of their loved ones and friends at home.

One of the most brilliant chapters in the home front story may be woven around the Palestine Service Men's Club. While strategically situated in Palestine, the service men's club was a prideful asset of the entire county. The hospitality and generosity of the club, the kindness of its volunteer staff, the very home-like atmosphere—all combined to make the place a living symbol of Anderson county's love and appreciation for those who gave up much to preserve our way of life.

Sacrifices and inconveniences such as rationing and shortages of some items, have no part of in the story of Anderson county's home front war effort. Suffice it to say that these sacrifices were taken in stride with a minimum of complaining.

Last but not least, the prayers of loved ones at home served as a mighty bulwark for the courage of those who fought. Every man who went into battle must have felt the prayerful watchfulness of those at home. Every man must have realized that the prayers of loved ones made him a better soldier, sailor or marine, protected by the arms of the Almighty.

Franklin Bradford
Editor, Palestine Herald.

SKETCH OF THE COUNTY OF ANDERSON

In 1846, Texas newly admitted to the Union granted to thirty-one communities within her domain the right to become separate counties. New settlers arriving in large numbers necessitated the change. Anderson County was one of these.

Anderson County was named for Kenneth Lewis Anderson, the Vice President of Texas, who was suddenly deceased while on a journey home from Washington on July 3, 1845. (He was buried at Fanthrop, now Anderson, in Grimes County).

Anderson County, one of 254 Texas counties, is bordered by Henderson, Cherokee, Houston, Leon, and Navarro County. It is located in central east Texas, and at the present has a population of 37,092. Anderson County has 683,904 acres, 4,399 farms, thousands of timber lands, dozens of producing oil and gas wells, and a great supply of high grade lignite.

The climate of Anderson County and most of the southern part of Texas, is as varied as the productive qualities of the soil, and is perhaps on the whole, superior to that of any other portion of North America.

The agricultural aspects of the county are excellent. In 1924, John McFarlane astounded the world by producing ten bales of cotton on five acres of non-irrigated Anderson county soil. Fruit and truck crops are noted for their deliciousness as well as for yield per acre. Anderson County is also the home of the pecan and hickory nut, many thousands of pounds being harvested annually.

Before World War II, people from all over the country visited the scenic dogwood trails of Palestine, which in beauty cannot be excelled.

Palestine is a railroad center with a General Office and shops. Knox Glass Factory is one of the major concerns located here.

From Anderson County have gone 4,200 boys into the armed forces, and many of these boys have lost their lives for their country.

A Service Men's Club has been established on Spring Street for the purpose of entertaining all men in Uncle Sam's Army. This club has been acclaimed all over the United States for its hospitality and warmth.

Anderson County's accomplishments are numerous and cannot be mentioned in so short a sketch. But undoubtedly, the County is one of the finest in the state of Texas—or in the United States as a whole.

AMERICAN RED CROSS

ANDERSON COUNTY CHAPTER

PALESTINE, TEXAS

THE RED CROSS FLAG

Five perfect squares make the Red Cross Flag of purest white
Which floats o'er the battlefields as a beacon light.
The top square reaches heavenward to a divine Love
That smiles benignly down from above.
The square to the right engenders the faith of the earth
To the concepts of freedom, love and mirth.
The square to the left is the hope that the ideals for which it stands
Like the sunshine shall spread 'oer all the lands.
The bottom square is the firm foundation of service on which it rests
That through the years has stood the acid tests.
In the center square the Greek cross of red represents the heart of the people
Whose worth make the Red Cross—"The Greatest Mother On Earth."

AMERICAN RED CROSS

Dear Friends:

It is with hearts filled with gratitude that we welcome you home from the battle fronts throughout the world. May we thank God each day of our lives for watching over you and bringing you back home to your friends and loved ones. We shall be grateful to you always and strive at all times to show our undying appreciation. With God's help we shall build a new civilization based upon mutual understanding between nations and good will toward all men. Let us resolve that those who gave their lives on the battle fields shall not have died in vain—"that this nation under God shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."

Sincerely yours,
Luther C. Johnston

A SINCERE GREETING

The Palestine Chamber of Commerce extends its sincere greetings to our service men and women, both those at home and those who are still serving away from home; and to those who have been relieved from military service and have come home to take up their places in civilian life the chamber gives a welcome home, and tenders its services to them in any way that we can be of help. To those of you who are home we will be glad if you will call on us for any service we may render you.

Our profound sympathy goes out, too, to those who have lost loved ones as the result of war. They died in service, and let us hope that those of us here at home will see to it that they have not died in vain, and that we will do our utmost to preserve the peace and make this a better world in which to live. And let us see to it that our youths are never again called on to make as great a sacrifice.

Sincerely,
PALESTINE CHAMBER OF COMMERCE
Ernest Peters, President,

ELKHART

The citizenship of our town is proud of the more than two hundred and seventy-five young men who have gone into the Service. These were nearly all students of our Elkhart High School. Three gold stars so far have been placed on our Service Flag.

Our town has been wholeheartedly behind our fighting forces. The Boy Scouts, the School, the Chamber of Commerce and the Churches have all nobly assisted in the war effort. Our school has taken a notable part in the paper drives, scrap iron collections and in the sale of War Saving stamps and bonds. The school was awarded an honor flag in recognition of our work.

The Home Making department has enthusiastically assisted by making Red Cross bandages and gathering bundles of clothing for the needy in England.

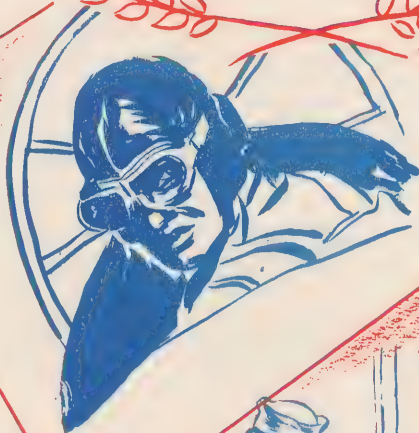

The Auxiliaries of the churches have worked untiringly doing sewing and knitting.

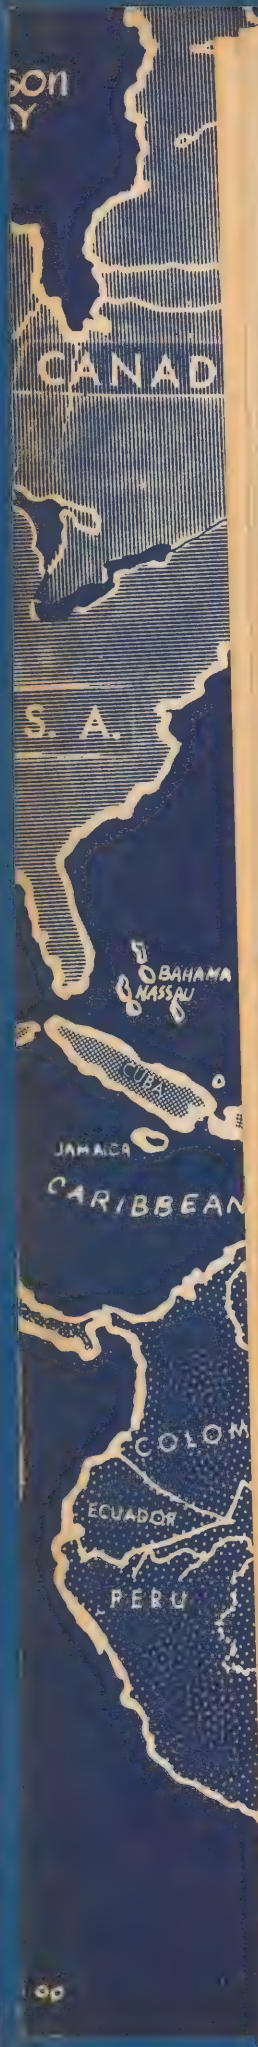

Our Chamber of Commerce has directed the bond drives and the people have tried to raise our quotas.

Anderson County Negroes have shown their patriotism in many ways, and due praise should be given all who have participated, but the following pictures will show some of those who have merited praise in the Armed Forces. Too much cannot be said in praise of those who have done their best for the country's cause.
